Dustyroom Casual Game Sound - One Shot SFX Pack

The included samples have been created by Dustyroom game studio.

Everything in the pack licensed CC Zero (CC0).

You may use the sounds for free in non-commercial and commercial projects.

It is not mandatory to credit the author (Dustyroom or dustyroom.com) but it is always a good move.

The pack at a glance:

- 50 audio samples
- Includes UX / UI sounds
- 24-bit WAV format, 44.1 kHz Stereo
- Covers most events of any casual game: bonuses, tile removal, ticking clocks etc
- 11.4 MB size on disk
- Everything in the pack licensed CC Zero (CC0)
